Scholarship opportunities!

[View this email in your browser](#)

Hello!

The Admissions Office at Indiana Tech wanted to send our guidance counselors some updates and information about Indiana Tech. Please feel free to pass this along to your students!

Full Tuition Scholarship

For our **Presidential Scholarship**, we offer a full tuition scholarship to four incoming students each year. Student who apply must have a 3.0 GPA and 24 ACT or 1170 SAT (new SAT scoring system). Students can learn how to apply at finaid.indianatech.edu/scholarships/undergrad/. The deadline is January 15th.

[raise.me](https://www.raise.me/)

Have you heard of micro-scholarships? This is a great way for students to start earning scholarship money as early as their Freshman year in high school. Students are able to choose multiple colleges to start earning money, including Indiana Tech. Go to <https://www.raise.me/> to get started!

Upcoming Event!

On **Monday, February 20th** we'll be hosting our **Admitted Student Day**. At this event students and parents can create their own schedule for the day. There will be a number of sessions to choose from, as well as the opportunity to sit in on a class. Students will also have the option to stay overnight for our **Select Tech** event the night before on **Sunday, February 19th** (limited availability). They'll be able to stay overnight with one of our current students in the dorms to see what it's like living on campus. We have a lot of fun stuff planned for our Select Tech event,

such as pizza, laser tag, and watching a movie at our theater on campus. The event isn't open yet, but will be available soon at www.indianatech.edu/visit.

Did you know?

Our cyber defense team, the Cyber Warriors, has won the state Collegiate Cyber Defense Competition the past two years.

We have a number of organizations and clubs that allow students to compete and gain more experience within their interests. Learn more at <http://academics.indianatech.edu/beyond/clubs/>.

Have you heard?

We're currently looking for students to join our eSport team in 2017.

Students who have skills playing *League of Legends* or *Hearthstone* could potentially earn scholarship money at Indiana Tech! Get more information at <http://www.indianatech.edu/news/indiana-tech-offer-esports-scholarships-2017>.

Check it out for yourself!

Would you like to bring a group of students to campus and check out what we have to offer? You can schedule a group tour and we'd be happy to show you and your students around campus. You can request to partake in activities such as, a campus tour, meet with a panel of current students, and get a presentation from the Admissions Office on next steps. To schedule a tour go to www.indianatech.edu/visit.

Schedule a Visit!
