

State Farm® Good Neighbor Scholarship Program (U.S. Citizens/Permanent Residents)

Overview

Application available in January each year to high school seniors. Only the first 700 applications received will be accepted.

The State Farm Companies Foundation believes all children deserve an education that helps them reach their potential and prepares them for life. The State Farm Good Neighbor Scholarship Program was established to provide financial assistance to students who plan to attend college, technical, or vocational school, but may not be able to meet the expenses of a higher education without such aid and often do not qualify for other scholarships.

Fifty scholarships in the amount of \$5,000 (\$2,500 per year – two year renewable) are awarded to graduating high school seniors to attend an accredited U.S. two- or four-year college or university, technical, or vocational school.

Applicant scholarship criteria:

- High school senior (12th grade or fourth year)
- Student with a cumulative G.P.A. of 2.5 to 3.2 on a 4.0 scale
- Student with a demonstrated financial need
- U.S. citizen or permanent resident of the U.S.
