Attention: Off-Campus Students

All off-campus students must report to school during their normal times. That means you need to show up and leave at your normal times.

If you are not participating in a service/field trip during testing time, you will report to a room (to be announced) where Mrs. Hart will be. She will be showing movies, and you may bring breakfast/snacks.

During class periods where you are not enrolled in a class but are required to be here, you will report to the library.
