

The Rossville School Foundation is a non-for-profit organization whose mission is to “unlock” the future for our children by encouraging and assisting public education in the pursuit of excellence. With the help of parents, teachers, administrators, and the Rossville community, the Foundation has been able to achieve our mission statement in a variety of ways.

Each year the Foundation awards three \$1000 scholarships to seniors pursuing careers in education, technical college, or business. We also contribute to the school’s drama and music departments, the elementary and middle/high school libraries, and other extra-curricular activities. The Foundation also supports Grandparents Day, the Middle/High School Academic Banquet and the Elementary Mentor Program.

To assist our teachers, the Foundation has a grant program where teachers may apply for funding of special classroom projects. As funds allow, we extend monetary “thank you’s” to each teacher to purchase classroom supplies. At the end of the year, we extend special thanks by honoring our teachers with an appreciation luncheon.

HONOR COURTYARD PAVER

The Rossville School Foundation’s Honor Courtyard project is off to a great start with over 100 engraved pavers in place. The Honor Courtyard is located in front of the flagpole facing the Auditorium. These pavers are a wonderful way to honor a classmate, class, team, coach, teacher, graduating student, business, or organization.

 Phone Number _____ Email _____

Pavers are available in two sizes: 4”x8” pavers (color – Red) and 8”x8” pavers (color – buff). There will be three lines of 13 characters available on the 4”x8” paver and six lines of 13 characters available on the 8”x8” paver. You do not have to use all available lines on a paver. The pavers will be engraved in uppercase lettering and have a black Lithichrome inset filling. The “Buzzy” Hornet icon can be added to a paver, if space is available, for \$20.

You will be contacted to approve a proof of the engraving. Because pavers have already been installed in the Courtyard, the Foundation will not accept requests for specific paver placement. The Foundation reserves the right to deny any engraving request.

Please print all requested information and include an email address if you have one. The engraved paver proof(s) will be forwarded to you via email when ready. Dates and times will also be made available for you to review your request if you do not have email.
