

To access your student's lunch history or set up online payments:

Go to the Rossville Consolidated Schools webpage at www.rcsd.k12.in.us

Click on the Parents tab. Click on the E-Funds (school payments including lunch payments) link.

If you have already created an e-funds account and currently make payments and want to view what your child has purchased from the cafeteria. Login in to e-funds using the username and password you currently use to make payments.

If this is the first time you have visited the e-funds site and you need to set up an account, click on **New Users**  **Register Here** For detailed information regarding registering and setting up your account, please refer to the Registration Guide link in the New Users section. **Also note when adding children to your account, use the student's STN number. This is a nine digit number unique to each student. If your student can't remember their number, please call your child's school office to obtain.**

To view students cafeteria purchases:
 Click on Account Overview > Student Meal Transaction History.

The Meal Transaction History will outline what has been purchased and what has been deposited.
