

How do I create an account in the Canvas Parent app on my Android device?

Once you [download Canvas Parent](#) from the Play store, you can create an account in the Canvas Parent app. As part of creating an account, you can associate a student with your account. You must know the student's Canvas URL, user login, and password.

Notes:

- Canvas Parent accounts are separate from [parent accounts created in Canvas](#) or being added to a course with an observer role. If you already have a Canvas account as an observer, you will need to create a separate account for the Canvas Parent app.
- The student's institution must enable access to the Canvas Parent app. If you cannot add a student to your account, the student's institution has restricted you from viewing student information through the Canvas Parent app.

The image shows a mobile application login screen for Canvas. At the top, the text 'Enter student's login and password' is displayed in white on a blue gradient background. Below this is the Canvas logo, which consists of a circular icon of dots above the word 'canvas' in lowercase. There are two white input fields: the first is labeled '1 Email' and the second is labeled '2 Password'. Below the input fields is a blue button labeled '3 Log In'. At the bottom of the screen, there is a link that says 'Forgot Password?'.

Enter your student's email [1] and password [2]. Tap the **Log In** button [3].

View Dashboard

The dashboard features a header with a circular profile picture of a dog, the name "NORA SANDERSON", and a gear icon. Below the header is a navigation bar with three tabs: "COURSES" (selected), "WEEK", and "ALERTS". The main content area displays three course cards:

Course Name	Course ID	Progress
Bio 101 Fall 2014	BIO-101-2014	87.5% B+
Bio 101 Summer 2015	BIO-101	0%
Bio 101 Winter 2015	BIO-101-2015	0%
