

Dear School Counselors:

All students deserve the opportunity for higher education, and finances should not stand in the way. College Goal Sunday<sup>SM</sup> (CGS) is a statewide program that provides FREE professional assistance for students and parents to complete the Free Application for Federal Student Aid (FAFSA). On **November 13, 2016** at 2:00 p.m. local time, financial aid professionals from colleges and universities all over the State of Indiana will volunteer their time at 41 College Goal Sunday sites to help students and families complete the FAFSA.

**We appreciate the continued support Indiana school counselors have given College Goal Sunday, and we again ask for your help informing students and parents of this valuable service.**

Again this year we are following the recommendation of the CGS executive committee to provide only posters to our high schools. **Please display the enclosed materials in prominent areas in your school, so that seniors can become aware of College Goal Sunday.**

Informative bookmarks will be handed out at many of the college fairs and financial aid programs your seniors will attend. You may also download PDFs of posters and other materials at [www.volunteerindianacgs.org](http://www.volunteerindianacgs.org) (go to Resources, Media & Site Coordinator Materials). This includes PSA scripts for your school announcements and a brochure PDF, both available in English and Spanish. If you need other materials or have questions, please contact Bill Wozniak at 317-715-9002 or [wwozniak@ismloans.org](mailto:wwozniak@ismloans.org).

Thank you for helping us make higher education a reality for all Indiana students.

Sincerely,

William Wozniak  
College Goal Sunday Chairperson
